SAVING TOGETHER.

IT'S WHY WE'RE CALLED COOPERATIVES.

For more than 60 years, Hoosier Energy and our electric cooperatives have been providing clean and reliable electricity to thousands of homes, farms, schools, and businesses across Central and Southern Indiana. And for more than three decades, we've been a sponsor of the Indiana Festival Guide, which helps promote a valuable and dynamic homegrown industry—Indiana tourism. It's one way we help build more active, vibrant communities. Another way is by helping consumers use energy more efficiently. It's all part of our commitment to you. Your Touchstone Energy Cooperatives and you. **TOGETHER WE SAVE.**
